
Proposal Presentation

Four Breakfast

— Sara, Luke, Cristian, Micheala, —
Carlos

Introduction

- **Our Goal:** Identify possible problems and generate solutions to improve Four Breakfast & Grill's customer base
- The **Four Breakfast & Grill** Problem:
 - Despite great location and few competitors, not enough foot traffic
- How can we figure out the problems?
 - Data collection methods
- How will we generate solutions?
- Is this feasible?
 - Absolutely, as this is an central restaurant on campus business will always be present, making small changes may bring large returns to the restaurant and many of the changes will not cost the business any money.

Project Objectives

- Understand low business turnarounds -> Improved business
- Understand involvement -> Increase campus involvement
- Learn about student preferences -> Implement preferences into restaurant
- Improve overall appeal and incentives for student dining
- Make Four Breakfast a staple of the UIUC food scene.

Potential Solutions
