FAMILY DRIVEN

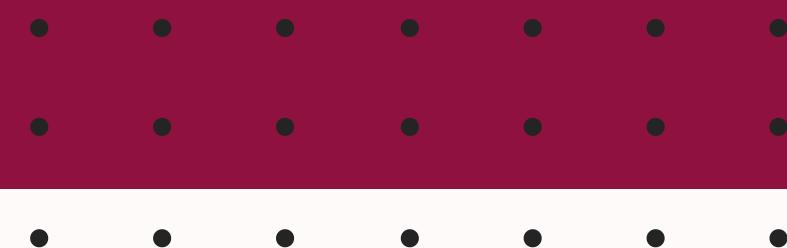

This campaign exists to restore faith in the government by delivering results people can see in their paychecks, schools, and communities.

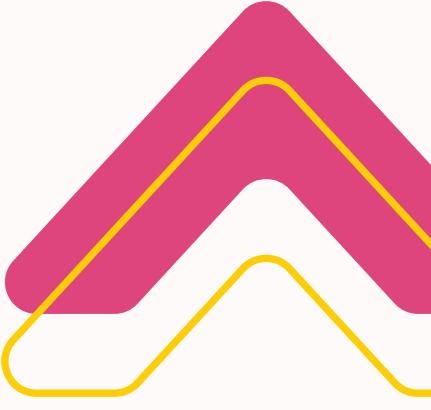

Helen Jones is a family-centered, values-driven Democrat focused on building security for working families. Her campaign is grounded in three everyday concerns:

- Education
- Immigration
- Health care

She presents herself as a candidate who understands that **economic stability begins at the kitchen table.**

"If you work hard, your family should be able to live well."

CAMPAIGN GOALS

1

Increase Engagement

Make voters feel emotionally connected by tying policies to family success

2

Drive Participation

Encourage students, parents, healthcare and workers to attend rallies, Volunteer, and Register to vote

3

Raise Awareness

Make voters feel emotionally connected by tying policies to family success

TARGET AUDIENCE

Demographics: Families w/ Children, Middle and working class, Women, Young adults, and first and second generations

Psychographics: Voters who value -
Justice, Stability, Opportunity and Accountability

Geographic focus: Midwest, Suburban Swing states, and Urbam working-class communities

POLICY POSITIONS

Helen Jones' campaign is about making sure every family has a fair chance. She supports strong schools, a modern and humane immigration system, and affordable health care that puts people first. These policies help Americans **earn more, save money, and feel more secure**, creating an economy that truly supports working families.

A Strong Start
for Every Child

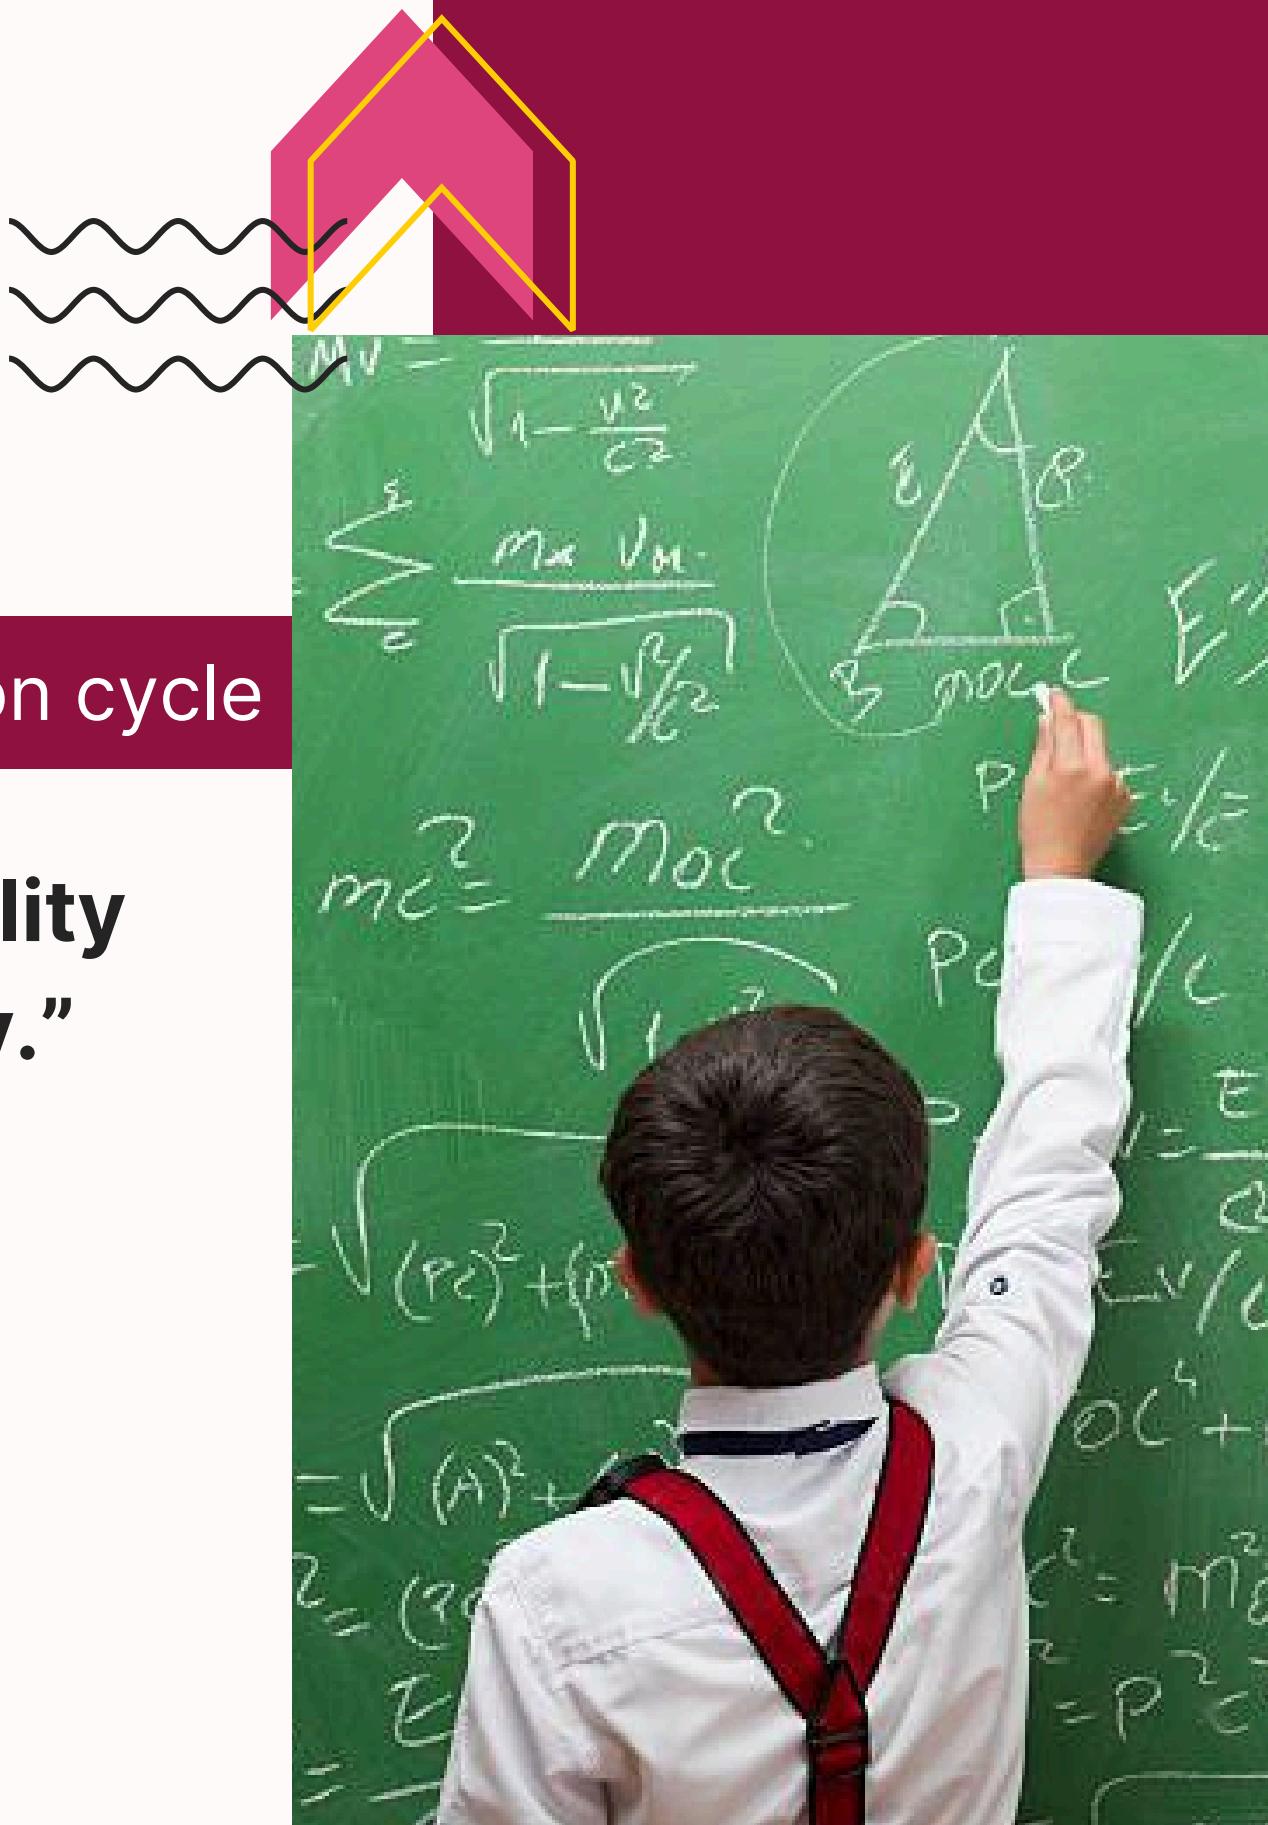

A Modern Humane
Immigration
System

Healthcare
that works for
Everyone

POSITION #1

“A STRONG START FOR EVERY CHILD”

Education remains one of the top-three issues in every national election cycle

Strong schools lead directly to:

- Higher earnings
- Lower crime rates
- Economic competitiveness

**“Educational inequality
limits social mobility.”**

Why will this Work?

Every \$1 invested in early education returns \$7–\$13 to society

Tactics to Convience Voters

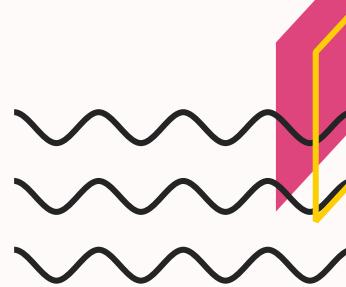

• • • Ethos: “I stand with parents and teachers.”

• • • Pathos: “No child should be trapped by their zip code.”

• • • Logos: “Early education is an investment that pays back in full.”

POSITION #2

“A Modern Humane immigration system”

• • • • • • •
• • • • • • •
• • • • • • •

Employers report labor shortages.

Immigrants fill essential roles in:

- Healthcare
- Agriculture
- Construction

Smart reform:

- Grows the workforce
- Protects border security
- Grows tax revenue
- Stabilizes key industries

Tactics to Convience Voters

Contrast Framing:

- “Our system is broken — not our values.”

Identity Appeal:

- “We are a nation built by people who chose America.”

Unity Strategy:

- Secure borders AND fair treatment.

POSITION #3

“HEALTH CARE THAT WORKS FOR EVERYONE”

Health care affordability is the #1 fear among working families

- Americans pay more than any other country.
- Millions face medical debt.
- Rural communities lack access.

Why will this Work?

A public option introduces:

- Real competition
- Lower premiums
- Price pressure on insurance companies

Tactics to Convience Voters

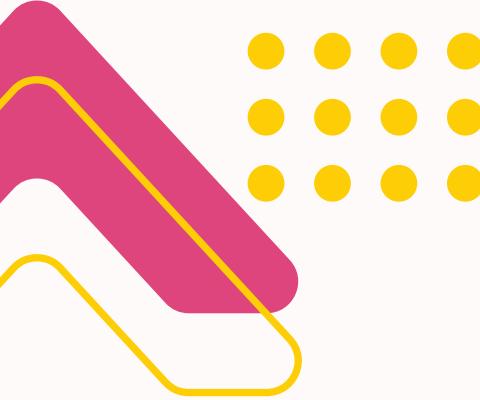

Fear Appeal (Ethical):

- “You shouldn’t lose your savings because you got sick.”

Populist Frame:

- “Patients first, profits second.”

CAMPAIGN STRATEGY

ANTICIPATED IMPACT

Direct Results:

- Higher Youth Engagement
- Improved Trust among Families
- Stronger Support among women voters
- Increased Crossover Approval
- More first-time voters

Conclusion - Helen Jones offers...

- Fairness through education
- Strength through smart immigration
- Security through healthcare

**“Opportunity should not be inherited
— it should be guaranteed.”**
